

AUTOMATED INSPECTION SYSTEM USERS GUIDE

CALL THE AUTOMATED SYSTEM AT 512-353-7728

THE AUTOMATED INSPECTION SYSTEM CAN NOW BE USED TO ACCESS INSPECTION REQUESTS, INSPECTION RESULTS AND TO CANCEL AN INSPECTION

Framing, Plumbing, Top Out, Electrical Rough In and HVAC Rough In must all be called in the same day.

All FINALS must also be called in the same day

NOTE: When requesting a re-inspection and the automated system indicates that the inspection is already requested, press 2 for an additional inspection.
